

	Type	Hits	Search Text
1	BRS	49	rf near module and IC and (mobile or cellular or wireless or portable) and chip
2	BRS	5	bare near chip and substrate and rf near module and ic and rf
3	BRS	17	antenna and (pcb or (printed near circuit near board) or (multilayer\$5 or multi-layer\$5) near substrate) and rf near module and (baseband or base-band) and chip
4	BRS	15	antenna and (pcb or (printed near circuit near board) or (multilayer\$5 or multi-layer\$5) near substrate) and rf near module and (baseband or base-band) and chip and memory
5	BRS	14	rf near module and antenna and substrate and (baseband or base-band)
6	BRS	8	rf near module and antenna and substrate and (baseband or base-band) and memory
7	BRS	14	rf near module and substrate and (base-band or baseband)
8	BRS	8	rf near module and substrate and (base-band or baseband) and memory
9	BRS	4	rf near module and substrate and (base-band or baseband) and memory and ic
10	BRS	19	bare-chip and substrate and ic and memory
11	BRS	3	rf near module and bare-chip and substrate and electrode
12	BRS	2	rf near module and bare-chip and substrate and electrode and ic and signal
13	BRS	2	bare-chip and oscillator and substrate and ic and electrode and frequency
14	BRS	6	bare-chip and oscillator and substrate and ic and electrode and resistor and capacitor
15	BRS	2	bare-chip and oscillator and substrate and ic and electrode and resistor and capacitor and frequency

	Type	Hits	Search Text
16	BRS	1	base-band near ic and frequency and circuit near board and oscill\$6 and signal and resistor and capacitor and ic and memory
